

END YOUR HOME LOAN LOCKDOWN

Bust out of your old home loan for a better rate for you.

Is your home loan still as healthy as it was the day you settled. It could be time for a check up. Why? Hint: It could save you a \$#!% tonne.

1

Lenders regularly change their rates. Moving to a lower rate could **save you thousands.**

2

Banks are fighting hard for your business – I have access to 60+ banks and lenders so **I can negotiate to get a better rate for you.**

3

Refinancing could open doors to **new loan features and benefits.**

4

Consolidate those debts into one package (hopefully at a lower interest rate!)

5

Invest in home **equity and use the extra funds to help with your current circumstances.**

Could refinancing be right for you?

Whether you're looking to save money now, pay down your loan faster or access equity to pay for another project, we will run the calculations for you and do the legwork to find the right solution.*

Now, let's take a look at that loan and see how much we could save you.
